How it Works

Each of your guests will receive \$50 or \$100 in actual Casino Chips to get started.

Players move throughout the casino and meet dealers who not only patiently teach the games, but add to the excitement of the casino experience!

After gaming, players redeem their chips for Jackpot raffle tickets and the raffle for the prizes begins.

Every guest has a chance to win and is excited until the last ticket is drawn.

Perfect for Corporate Events, Fundraisers, Birthday Parties and House Parties
